## BOARDROOM UPDATES

We, as the Directors of Kairos South Africa, are continually moved by the miraculous work of our Lord, Christ Jesus. Our lives are interwoven with prayers, both personally and for the ministry. We are increasingly aware of our complete dependence on God's guidance. Each decision is approached through prayer and, when needed, we wait patiently for His clarity. We stand in awe before the Cross, recognising that this ministry is His, and witnessing the Spirit's transformative power working through volunteers and guests. We request your heartfelt prayers as we grow in faith, and declare that every individual is worthy of God's Grace.

Getting active

As we all know the soul, spirit and body needs to stay healthy. Even Paul says we are running a race.

Kairos will take part in the 94.7 cycling race this here.

We will be having a "Team Captain" who will get us ready. We will be geared as a Kairos team as our entree costs will include a Kairos cycling kit. For more info. Please contact our "Captain" Mike Andrew (veteran Kairos cyclist) at 082 459 6990.

## KAIROS INSIDE

It's all systems go for Kairos Inside throughout the country. The scheduled training for KZN from 7 to 9 February 2025 was successfully completed, and we can proudly announce, that we have a complete new volunteer, Mr Bobby, that gate crashed our training with his monkey tricks. Wonder if he will join our next sessions?

The training session for Johannesburg South, that was scheduled from 21-23 February 2025, was also completed successfully, and the interactive session were well received.

JHB Mens Inside Kairos #23, taking place from 10-13 April 2025, calls for our united prayers. May God transform the hearts of those incarcerated.

Our next issue promises to give you more scope into weekends still scheduled for the next few months.

## KAIROS TORCH

Halala Torch, Halala! Well done with your Radio Interview on Impact Radio. This interview was an impactful opportunity to raise awareness for our Ministries. This exposure will be beneficial to our marketing and public engagement.

KZN also had their open day with 46 recruits in attendance. We pray that they will all answer the Lord's call to service.

## KAIROS OUTSIDE

AKT Gauteng South was a huge success. The trainees had a huge hunger for knowledge, and interacted well during sessions. We welcome Carem Armurjeeth and Nessa Hendriks, who will be assisting us with AKT training. Welcome to the team! We are looking forward to many more testimonies from KZN and WC states, and with your continual support and prayers, we know that God will continue blessing this Ministry.

We extend a warm welcome to Jessie Smit, our new Kairos South Africa Stock Controller. Jessie brings extensive experience and knowledge to the ministry, having been involved with Kairos for many years. We are delighted to have her joining our team and look forward to embarking on this Kairos journey together. We anticipate a fulfilling and memorable experience as we serve alongside Jessie.

## KAIROS SOUTH AFRICA

"We are proud that Kairos has been named a Top-Rated Nonprofit for the eighth consecutive year in 2024," says Evelyn Lemly, CEO. "We have stayed committed to serving those impacted by incarceration."

"Kairos Prison Ministry is a great example of a nonprofit making a real difference in their community," said Shari Tishman, Managing Director of GreatNonprofits, "Their award is well-deserved recognition not only of their work, but the tremendous support they receive, as shown by the many outstanding reviews they have received from people who have direct experience working with Kairos."

Transformation...a word rich in meaning, finds its truest expression in our mission: to extend the transforming love and forgiveness of Jesus Christ to incarcerated individuals, their families, and communities. We are continually humbled by God's work, and we acknowledge the potential for human misinterpretation of His Divine transformation. We commit to daily submission to the Holy Spirit, seeking His Perfect Will. Furthermore, we invite Jesus to guide our path, trusting the Holy Spirit to transform us to be instruments of transformation to others.

Kairos is funding all its operations, which is very costly. We want to do much more, but need finances to make it possible. Should you want to invest in this Ministry, please use the following banking details to sow a seed :
